Respectfully presenting petition for action of Court and for cause as follows:

On November 21, 2005, Pretrial Services approved the defendant's request to start employment at Manpower, 409 Washington Avenue, Jersey City, New Jersey. On January 19, 2006, Pretrial Services conducted an employment visit to learn that the defendant's last date of employment was January 10, 2006. The defendant had never informed Pretrial Services of changes in his employment status. The electronic monitoring reports during that time period showed the defendant leaving and returning to his residence as if he had been employed at Manpower. On January 19, 2006, the defendant initially denied any wrongdoing, then admitted to going outside his residence for leisure-

related pursuits contrary to his home confinement release condition. Consequently, Pretrial Services placed him on 24-hour lock down with medical emergencies, counsel visits, and court proceedings as the only exceptions to leave his residence.

On January 24, 2006, Pretrial Services spoke to the Assistant United States Attorney, Aidan O'Connor, and the Assistant Federal Public Defender, Esther Salas, who consent to the below noted modification.

PRAYING THAT THE COURT WILL ORDER the defendant's bail modified to eliminate employment as an exception for the defendant to leave his residence.

ORDER OF COURT

Considered and ordered this 16th day
of February, 2006 and ordered filed
and made a part of the records in the above
case.

Honorable Katharine S. Hayden
United States District Judge

Respectfully,

Kenneth Rowan
